JUST BETWEEN FRIENDS®

Safety Matters

Just Between Friends is dedicated to keeping families safe. That's why we want you to have up-to-date information on safety and recalls for items you're still using and for items you want to sell at JBF.

As a Seller, it is your responsibility to check all of your items for recalls. If an item is recalled, it cannot be sold at JBF. If you've installed the recall repair, it is safe to use and sell at JBF.

We also have very high standards when it comes to selling **Car Seats** and **Cribs** and **Infant Sleep Products** (scroll down to read more). Plus, you'll find furniture tip-over prevention and drawstring safety information in the pages to follow.

TOP 10 SAFETY ALERTS

See the following pages for details.

SAFETY Matters

TOP 10 SAFETY ALERTS

1

Bumbo Seats

Must have safety straps installed. Order a free kit at www.recall.BumboUSA.com or call (866) 898-4999

2

All Incline Sleepers

are no longer considered safe for babies to sleep in. Therefore, you may only sell items at JBF in which babies lie FLAT to sleep.

3

All Crib Bumpers

are no longer considered safe and cannot be sold at JBF.

4

Infantino Infant Carriers

Go Forward 4-in-1 Evolved Ergonomic, Flip Front2back, and Up Close Newborn infant carriers were recalled in February 2020 due to buckles which can break, posing a fall hazard.

Immediately stop using and visit www.infantino.com for replacement options.

5

B.O.B. Strollers

BOB jogging strollers manufactured between January 2009 and September 2015 were recalled for front wheel attachment issues. The replacement thru-bolts are also faulty (model number is S11393700). The bolt can fracture during use, allowing the front wheel of the stroller to detach, posing a risk to the child in the stroller and the adult pushing the stroller. There is no current remedy offered by the manufacturer that makes this item safe to sell at JBF.

6

Maclaren Strollers

All Maclaren single and double umbrella strollers sold between 1999-2009 were recalled for potential finger amputation from hinge mechanism. Consumers should immediately stop using these recalled strollers and contact Maclaren USA to receive a free repair kit. Strollers with repair kit installed are safe to use and to sell at Just Between Friends.

7

Boppy Lounger

Infants can suffocate if they roll, move, or are placed on the lounger in a position that obstructs breathing, or roll off the lounger onto an external surface, such as an adult pillow or soft bedding that obstructs breathing.

Consumers should immediately stop using the recalled loungers and contact The Boppy Company for a refund. boppy.com/pages/loungerrecall

8

4moms MomaRoo and RochaRoo

When the swing or rocker is not in use, their restraint straps can dangle below the seat and non-occupant crawling infants can become entangled in the straps, posing a strangulation hazard.

Go to 4momsrecall.expertinquiry.com to register for a free strap fastener. Once installed, it is safe to use and to sell at JBF.

9

Summer Infant Baby Bather

When the bather is lifted and/or carried with an infant in it, its folding wire frame can suddenly disengage from the side hinge.

Bathers with FIVE rivets are recalled. All others are safe to use and to sell at JBF.

10

Chicco Polly High Chairs

This recall involves a range of Chicco Polly highchairs with pegs on the back legs intended for tray storage manufactured prior to October 13, 2010 and sold from 2005 through July 2012.

Contact Chicco to request a free peg cover kit. Once this fix is installed, it is safe to use and to sell at JBF.
